[illegible] [illegible] filii [illegible]
[illegible] [illegible] semper natus de patre
[illegible] [illegible] [illegible] [illegible]
ab eterno est [illegible] [illegible] [illegible] [illegible]

pater in generatione auctor filii. non inse-
quitur omnino quod pater qui aeternus est
et filius aeternus sit patri sine auctore.
filius enim non, quia pater innascibilis
filius natus. et ut ait Hilarius in XII
libro de Trinitate: aliud est sine auctore semper
esse aeternum, aliud patri, id est auctori, coae-
ternum esse. ubi enim pater auctor est, ibi et nati-
vitas est. quia sicut nativitas ab aucto-
re est, ita et ab aeterno auctore aeterna
nativitas est. omne autem quod semper est
et aeternum est, sed tamen non omne quod aeternum
est et innatum est, quia quod ab aeterno nascitur
[illegible] aeternum esse quod natum est. [illegible] auctor
non natum, quod et aeternitate non natum
est. [illegible] non ab aeterno natum est, id si non
[illegible] natum est, iam non erit pater
auctor aeternus. si igitur ei quod ab
aeterno patre natum est ex aeternitate defuit,
id ipsum auctori non est ambiguum
defuisse: quia sicut generantis est infinitum
gignere, ita et nascentis est infinitum esse
nasci. medium enim quid inter nativitatem
dei filii et generationem dei patris non sensus
admittit: quia in generatione nativitas
est et in nativitate generatio est, et sine
[illegible] [illegible] sine media-
tio sine est.

Ad [illegible] omne quod natum
est non fuit semper, quia in id natum est
[illegible] ab aeterno [illegible] quod inerrabiliter
hominibus [illegible] aliquando non fuerit
et aliud [illegible] nasci quod non semper
fuit, aliud ab aeterno natum esse quod semper
est. [illegible] ut semper fuit qui pater est, ut semper
no. pater est: et qui semper pater est, non semper
genuit. [illegible] autem semper pater est, semper
filius. [illegible] si semper deo pater esse, semper esse
et pater [illegible] filius semper [illegible] esse quod
semper filius [illegible] [illegible] in intelligentiam
generationem [illegible] non fuit semper [illegible]
[illegible] semper esse quod natum est: naturam
inenarrabilem [illegible] in [illegible] sine
[illegible] ut [illegible] esse quod natum: ut [illegible] natum
quod esse quod nasci quod erat. iam non nascitur
[illegible] ipsum de [illegible] nascendo [illegible]
[illegible] sensu et intelligentia [illegible]

[illegible] [illegible] prudentia [illegible]

De spiritu sancto quod communis [illegible] dilectio
[illegible] [illegible], id est spiritus sanctus amor est. Hinc

caritas sive dilectio vel patris et filii. unde Augustinus
in XV libro de Trinitate ait: spiritus sanctus nec patris est solius
nec filii solius, sed amborum: et ideo communem
qua invicem se diligunt [illegible] [illegible] nobis
insinuat caritatem. [illegible] in [illegible]
[illegible] [illegible] de caritate est. non dixit spiritus sanctus

illam de celis sanctis tuis et a sede magnitu-

a dextra me laborare: et cetera. Similiter mit-
titur cui aliquo cognoscitur atque percipitur. Cum
cognoscitur et percipitur prout capacitas vel profectionis
mentis vel perfecte mente anime rationalis

Ecce audisti sicut duo modi missionis
filii et secundum alterum semel tantum missus
est filius secundum alterum sepe missus est et
mittitur cotidie. Secundum illum missus
est ut esset homo quod semel tantum fuit. Secundum alterum
non mittitur ut sit homo sed mittitur cotidie
mittitur ad sanctos et missus est ante incar-
nationem ad sanctos omnes qui ante fuerunt
et ad angelos. Unde augustinus de filio vel
de sapientia patris loquens in iiii libro de trinitate: ...
aut aliud sapientia mittitur ut sit cum homine
aliud missa est ut sit homo in animas
sanctas cum se transfert et amicos dei
et prophetas constituit sic et implet sanctos
angelos: et cum venit in tanta temporis
missa est non ut impleret angelos nec
ut esset angelus nec ut esset cum hominibus
vel in hominibus non tantum in quibus [illegible] et
in prophetis: sed ut caro fieret mon. a
[illegible].

Patet ergo ex predictis de hiis duobus modis
mittitur filius sed alterum dicitur missus
in mundo. Secundum alterum non ... missus
in mundum dicitur quo visibiliter in mundo mon-
stratus apparuit. Unde augustinus in eodem libro ait:
Et ecce apostolus aperte mittit quando apparuit in mundo quia
... non in [illegible] ... [illegible]
apparuit ex corporeis sensibus posita est
inter nos. Secundum quod innotuit alicui cum ei
percipitur: non in mundum mittitur: tamen in ...
[illegible]
[illegible] sequitur non [illegible] in hoc mundo ...
dictis liquet quod propter ineffabilem generationem
duobus modis mittitur filius sed cum
visibiliter apparuit vel invisibiliter percipitur in te

[illegible]
[illegible] ... non de augustinus
[illegible] ... interius invisibiliter: vel sicut
tunc dicitur: quod quando prius filium et spiritum sanctum
non autem augustinus in eodem si volueris dicere
... invisibiliter apparuit [illegible]
sancto tamen aut a filio, quod genuit aut a spi-
ritu sancto; qui de illo procedit missus dicitur sapien-
cia: aut ille missus dicitur qui incarnatione appa-
ruit: missus est misisse, aut ille qui mesi
non apparuit

Etiam que nunc quamdam querunt an
non sit missus, si filius et spiritus sanctus a
patre maiore sit filius minore et spiritum
sanctum atque patrem quod maiorem misisse atque quam mi-
norem quod augustinus in ii libro de trinitate illis
contradicens [illegible] ... ad intelligendum
minorem esse filium quod missus a patre sed
non minorem spiritum: quod non a patre mittitur et
filius sive in visibili creatura sive per
...
vel inequalitate vel dissimilitudine ...
inseparabilis sic operari intelligatur ...
misisse dicitur filium vel spiritum sanctum quod ille a quo
... maior illi minoris sed maxime ...
... inseparabilis in dicenda
... invisibiliter ... non sic ... apparuit
... cum ... quod sic missus filii

Nunc de spiritu sancto videndum est quod ... in
[illegible] et eternam processionem qua
procedit a patre et filio et non a se ipso quae
sic cum temporalis processio que dicitur missio sive
donatio atque datur. Et sicut filius duobus
modis dicitur mitti uno quo visibiliter apparuit
alio quo invisibiliter animabus illabitur per
... spiritus sanctus a patre et filio ... duobus
modis procedit sive mitti sive dari dicitur uno
visibiliter altero invisibiliter. Dicitur invisibiliter ...
... sicut in ... alios
... invisibili ...
... fidelium

[illegible]

Illud sperma est ita tenue et male digestum
et est sicut aqua et ex isto generatur generatum
feminei debile quod expellitur per coitum et
recipitur in matricem mulieris. Et etiam quod bona
digestio spermatis cum fortitudine facit
quod sperma bene digestum est et ex isto generantur
partus fortes. Sed sperma male digestum est
tenue et ex isto generantur partus debiles. Et
[illegible] quod ipse qui raro coeunt
conceptum generant tales filios fortes quod sperma
eorum in matrice per longam decoctionem
Et [illegible] quod sperma diversificatur in omnibus secundum
diversitatem complexionis hominis quod colerici
et sanguinei sunt calidi et ideo sperma eorum
est bene digestum. Sed flegmatici et melancolici
sunt frigidi et propter hoc sperma eorum est male
digestum et ideo sanguinei et colerici generant
plures pueros scilicet filios et filias quam
flegmatici et melancolici. Et etiam quod sanguinei et
colerici generant pulchriores pueros. Sed flegmatici
et melancolici difformes. Et etiam quod sperma
bene digestum est cum generationibus masculi
quod in calidum. Sed sperma male digestum
est cum generationibus feminae quod in frigidum
et propter hoc sanguinei et colerici plures
generant filios quam filias sed melancolici
